

Target Market Determinations for Safe Finance Personal Loan Products

About this document

This document includes a target market determination (TMD) for each of Safe Finance's Personal Loan Products. This document is a prescribed document under the Corporations Act 2001 (Cth) to describe the class of persons (the target market) for whom our personal loans have been designed. This document does not constitute advice.

This target market determination seeks to give our customers, distributors, and staff an understanding of the class of consumers for which our personal loan products have been designed. It does not purport to set out or contain the full terms and conditions of our personal loan products. The full terms and conditions applicable to our personal loan products are set in the loan contract you will be asked to sign if your loan application is approved. Different terms and conditions apply depending on the type or amount of the loan you obtain from us.

When we refer to "us" or "we" in this document it is a reference to us, Safe Finance Pty Ltd which is the issuer of the personal loan product.

How we distribute the loan product	We distribute the loan product directly to consumers by online application and a follow up telephone conversation with our operator for most applications.		
Distributors	We distribute our loan product direct to consumers. We do not rely upon a distribution network however we do accept referrals from approved referrers and lead generators who direct clients to our website.		
Distribution Conditions	<p>We have distribution conditions in place designed to help ensure that our loan product is only provided to consumers in the target market.</p> <p>We ensure that:</p> <ul style="list-style-type: none"> • Our website content gives consistent messaging directed to our target market. • Our initial review of an application excludes consumers who, based on objective and measurable criteria, do not meet our eligibility criteria. • Our assessment process fully assesses whether a consumer meets our eligibility criteria, and; • Our review process reviews applications where it is initially unclear or uncertain whether the application meets our eligibility criteria or whether we are prepared to lend to the consumer. • We ensure that with a referral made by our referral partners, that they are only referring consumers who are likely to meet our eligibility criteria. 		

Adequacy of distribution conditions and restrictions	<ul style="list-style-type: none">• Implementation of suitability and eligibility questions through our proprietary semi-automated application process allows us to identify those applicants who do not meet the criteria for the products prior to any loan offer being made to a consumer.• Provision of detailed reference material such as checklists and guidance notes to our loan assessors and reviewers means that we receive from the consumer all the required information to enable assessment of suitability and eligibility prior to offer or approval of the loan.• We make and review our agreements with referral partners taking into consideration their access to the target market for our loan product.	
Timing and process by which we review our Target Market Determination	We will review this target market determination as follows:
